

Theology

The education of students in an atmosphere of individual concern and Christ-like teaching is the primary focus of the Theology Program. We believe that spiritual growth is central to the learning process. Christian Community unfolds in the simple, everyday moments of life, as individuals come together to share their gifts, time, talents and lived experience of faith in Jesus. We believe that each faculty member, Catholic or non-Catholic, Christian or non-Christian, is responsible for witnessing to Gospel values in both word and action. Our ultimate aim is to nurture the adolescent into a responsible, believing adult who recognizes the power of God's law and the Church's contribution to humanity and who will guide his/her life according to Sacred Scripture and Sacred Tradition.
