

Hello Bethlehem Catholic Families,

My name is Holly Pelsis and I am the chairperson of the new club at Becahi called The Movement. This club was created with the intention of engaging the students of Bethlehem Catholic in helping charitable organizations in our community reach their goals, while growing closer as a student body. It allows our students to serve with compassion, build community connections, as well as develop leadership and organizational skills that will carry them beyond the classroom. We have been committed to providing assistance to four different non-profit organizations throughout the course of the school year such as The American Foundation for Suicide Prevention, Wounded Warriors of Pennsylvania, Mary's Shelter, and finally, Sassy Massey. Sassy Massey is our next big project so we are reaching out for your help!

In order to bring together the student body to celebrate and conclude a year of hard work and charity accomplished by our students, The Movement will be hosting a school wide Student Body Lock In on March 1st – 2nd, 2019. This event will be through the night, 8pm – 8am, with a fun-filled schedule planned BY the students. It would mean the world to us if we had your support to make this event a success.

Sassy Massey is a pediatric cancer organization that was created by one of our very own Bethlehem Catholic alumni. As this is our final project, all the money raised through the lock-in will go to buying toys for the organization. To learn more about Sassy Massey visit <https://sassymassey.org>. Any donation made to our goal of supporting this worthwhile cause is greatly appreciated.

Our Hospitality Committee is also still in need of food items. If you are able to contribute please contact themovementbc@gmail.com. Any type of generosity will be appreciated, as we have meals planned throughout the night to ensure our students are never hungry throughout the night.

As The Movement's motto is, "A Wave of Change," I ask you to support us in being the wave of change in our own community. Our school is filled with dedicated students who have been putting in an abundance of effort to ensure the impact of this club. It is time that the student body joins together for a school wide lock-in to celebrate the influence of philanthropy and Bethlehem Catholic High School's support of our local community. If you have any questions, feel free to contact me. Thank you in advance for your support and consideration.

Sincerely,

Holly Pelsis '19
