**52/52; 70/70**

**6 of One; Half Dozen of the Other**

Next year is a milestone year for the Class of '70.

We were born in 1952 and will have graduated from Beca 52 years ago... AND...

We all turn 70!?!

What to do? How do we "keep the buzz going" from our 51<sup>st</sup>?

For example, the Emmaus Borough Park has lots of pavilions and trees and is inexpensive. If we had a pavilion from 10-7 or park closing, people could bring their own chairs. We could play our "CDs", and we could arrange for a BBQ company to do the meats with the locals bringing salads and desserts. People could come and go throughout the day. We could probably keep the price around \$25. If people hang around and/or the food runs out, we could order pizzas!

Or, the Class of '69 held their 52<sup>nd</sup> Reunion outside at Pavilion #1 in Bethlehem Township Municipal Park on Farmersville Road between Freemansburg Avenue and William Penn Highway in mid-September. (Great weather, big turnout, full moon!)

Whaddya think? Let me know.

## “BLinkedIn” Profiles

(Over 700! Grads profiled in 2021, year-to-date)

LinkedIn is an online platform that people use to build social networks with other people who share similar personal or career interests, activities, backgrounds or real-life connections. Many of our classmates have profiles on LinkedIn that are viewed by and shared with the public. In future newsletters, some of those profiles of Becahi grads will be posted so we can continue to share our stories and connections with each other. It's a great way to market our school and its alumni. (...and because they are Becahi Grads, I call it “BLinkedIn”). I found the following grads on LinkedIn last month:

**Rosemarie Szczepanski '70**, retired as an Administrative Assistant at Lehigh University.

**Mary Szvetcz '70**, who received a BA in Psychology/Philosophy from the University of Pittsburgh, studied Business Administration at San Francisco State University, and Computer Science at the University of Texas at Austin, serves as Volunteer Communications Manager at the Eugene Fiber Arts Guild in Eugene, OR. Mary is also a Volunteer Online Moderator of Elder Orphans, an online group of more than 9,000 older people aging alone.
