Happy Anniversary of Your Becahi Graduation

Here's an idea ...

What about a mass for the graduates from the Fourth and Webster Streets location......at Holy Infancy Church, the site of their Baccalaureate? Time TBD. Followed by a Communion Breakfast/Brunch somewhere TBD? Whaddya think?

(There were about 2,566 students who graduated from Beca between 1927 and 1964, and I believe there are a little over 1,000 of those scholars still gracing our presence...many of them live locally.)

Just so you know, the idea(s) *don't* have to be a surprise. Send more...(any). As a reminder...

THE major milestone in our school's history will be upon us in September 2026. 100 Years of education and service to the children and families of the Lehigh Valley.

As we move closer to the date, I ask that each of you consider how the school and community can celebrate this occasion. What are your ideas? It's never too early to think about it. Send your ideas to me and I'll get them to the school or send them directly to the school.

I'll post some of your inputs in future *Tidings* so others can get motivated to send in their idea.

Some Alums who I saw or who checked in last month...

The Class of '48 Postscripts...

"Keep those cards and letters coming." Your messages help me to tell a better, more complete story each month. This is what I love the most...filling in the blanks of Becahi history by alums writing in. Here are some stories I learned about last month's honored **Class of '48**.

LinkedIn is an online platform that people use to build social networks with other people who share similar personal or career interests, activities, backgrounds, or real-life connections. Many of our classmates have profiles on LinkedIn that are viewed by and shared with the public. In future newsletters, some of those profiles of Becahi grads will be posted so we can continue to share our stories and connections with each other. It's a great way to market our school and its alumni. (...and because they are Becahi Grads, I call it “BLinkedIn”).

Reflection

June. The month of our graduation. We share this celebration with almost 14,000 other Becahi grads...

Moments to Remember...

...Though summer turns to winter
And the present disappears.
The laughter we were glad to share,
will echo through the years.
When other nights and other days
May find us gone our separate ways.
We will have these moments to remember.

- Written by Robert Allen and Al Stillman
