Creating the Vision for the 100th Anniversary of Bethlehem Catholic

News from the Advancement Office

Tom Vresics '81, Director

"Our Bethlehem Catholic Centennial Yearbook Is Already Taking Shape!"

If you want a say in telling of Becahi's incredible 100-year history, email Tom Vresics at tvresics@becahi.org. We have created a simple template for every Alumni class, sport, and extra-curricular activity. Our current Golden Hawk students will write a draft story for each graduating class, but they will need your guidance.

Your help will be most beneficial when it comes to telling your story about your most influential teachers and coaches and which pictures best define your Becahi experience.

If you want to help us with ideas to celebrate Becahi's Centennial properly, consider joining our #BECAHI100 Team by contacting Tom Vresics. This once-in-a-lifetime celebration will only be as good as we make it. If just 1% of our alumni do one thing and attend one event, it will be a celebration for the ages. Our next meeting will be social, no business, at our upcoming Pig & Swig on Friday, September 22nd. We hope to see you there. Go Hawks!"

Please say a special prayer this month for our classmates, Kathy Gyorek Transue, for Roseann Righi Repasch's sister, and for the late Alice Finn Freeh's brother, who passed away recently.

- † Kathy passed away on June 30th. For the 41 of us who went to SS. Simon and Jude school, Kathy was our classmate for 12 years. We'll miss her, and she now joins with the 38 other angels from our high school class who are looking down on us in amusement.
- † **Dolores Righi Oldt '75**, passed away on the 17th of July. Please also remember Roseann's late brother **Len '68** in your prayers as well.
- † **Gerald Finn '76**, passed away on July 25th. Please also say a prayer for Alice's siblings **Kevin '73**, **Brian '81**, Christina, Neal, and the late **Mary Ellen '69**.

Class of 1958 Reunion Postscripts:

Jean Korpics Lasover '58 sent me a message (from earth) to say she was not deceased as indicated in last month's Class of '58 list of graduates. The asterisk should have been added following her cousin, **Janie Korpics Musike's '58** name.

Bill Egan '58 wrote that **Paul Martin Koch '58** (aka Elvis) passed away on Saturday 06/03 in Jesup, GA where he resided for the past 35 years. Paul served in the U.S. Navy. He was married to Caroline Sheffield Koch for the past 62 yrs. and had a daughter Sherri and 3 grandchildren.

Peggy Napravnik Derhammer '58 wrote... *"Thank you July's updates on the class of 1958. Very interesting reading. Annie Oakley was also played by **Veronica Loncar Azan '58**. Evidently, there were 2 casts. Veronica doesn't remember who played the male role besides **Charles Donches**. [JOB homework: It was **Joseph Szaryas '59**.] **Stephen Malitski** served in the US Navy*

*Classmates of '58 meet every 3rd Thursday of the month at various restaurants in the Lehigh Valley. Last month and today we met at the Clubhouse Bethlehem Municipal golf course. There were 8 of us in attendance. **Marie Posipanko Spisak '58** sends e-mail reminders the Sunday prior to the luncheon to let classmates know when and where we will be gathering. Usually, the where is decided during the previous luncheon. Any of our classmates who are not on the e-mail list and would like to join us please contact Marie. Her address is mso462@rcn.com*

By the way we have searched over the years for George D'Huy and Joe Wunderlich to no avail.

Some Alumni I read about or heard from recently...

Harry Mitchell '57 wrote to me saying... *"You are always citing how many of the graduates end up living everywhere. How about this! I'm in the swimming pool Feb 23, at the Westin in Cancun, Mexico, walking with a drink and looking at the ocean from an infinity pool. This woman is next to me, so I strike up a conversation about the weather and where are you from. She says PA, and I say so are we, she says Bethlehem, and I said we're from Bethlehem, and she says her name was Grube, and I say I knew a Ken Grube, he was friends with my parents, and she says my father was Ken Grube. Her name was Margie and she taught in the Nazareth school district and is now retired and lives in Bethlehem, but" I'm here with my older brother John and introduced him to us." From what I remember John had businesses in California and out west. John remembered when we went on family vacations together, the Grube and the Mitchells. Then I see the picture in your newsletter, and I get introduced to the rest of the Grube family... Ruthann looks exactly like her mother Peggy looked. I don't know whether you can use this story, but it was such a coincidence that I had to mention it after seeing your picture in the newsletter."*

Sue Kerecz '70 wrote... *"I saw Sr. Irma Loretta's name in today's Tidings. My sister **Dolores Kerecz Mumbauer '59** had her for class. When I came to Beca in '66, I had her for Algebra and Geometry. Apparently, my sister was a real chatterbox. The first day, I had her for class, she reprimanded me for talking. She called me Dolores for the first few months. I was very quiet in her class. She terrified me but not my sister!"*

Stephen Begany '73 is a Senior Project Manager at Rotating Machinery Services, an aftermarket engineering and services company based in Bethlehem.

Joe Holko '75, after 38 years of practicing law, has retired. Joe joined Thomas, Thomas & Hafer, LLP in 2003 and handled various matters for self-insured and insured clients. His record at trial and arbitration was exceptional. tthlaw.com 01/04/21

Susanne Brenner '76, a Becahi Distinguished Graduate, is an American mathematician, whose research concerns the finite element method and related techniques for the numerical solution of differential equations. She is a Boyd Professor at Louisiana State University. During 2021-2022 she is serving as President of the Society for Industrial and Applied Mathematics (SIAM). Susanne did her undergraduate studies in mathematics and German at West Chester State College and received a master's degree in mathematics from SUNY Stony Brook. She obtained her Ph.D. from the University of Michigan in 1988; her thesis was entitled "Multigrid Methods for Nonconforming Finite Elements". She held faculty positions at Clarkson University and the University of South Carolina before moving to Louisiana State University in 2006. -

Celebrating the Class of 1963 with a Virtual 60th Reunion

The year 1962 ended with the passing of Becahi's Principal, Fr. Joseph Sangmeister, who led the school since 1948. He passed away on the feast of the Immaculate Conception, December 8th.

There were many firsts that occurred during his stewardship... first Open House, first schoolwide student retreat; the yearbook Sceptre was introduced after decades of no "hard cover" almanac of class and school activities; the student newspaper *Tidings* was launched and became the source of student information for over 50 years, to mention a few.

Fr. William Hoffner '40, "a true son of Becahi," was appointed the ninth principal in school's history.

The school was preparing for the move to a new facility. The yearbook noted "We of Becahi – "the little school by the railroad tracks" – look forward with happiness and gratitude to the day the new Bethlehem Catholic opens spacious facilities to the boys and girls of Bethlehem."

"Oh my! You certainly will have room to move around, won't you?" was Mother Rose Ines's response to Sr. Rose Charlotte's boast of the new Becahi.

Fr. Vincent Cronin taught religion and Latin and was the Athletic Director.

Teachers:

Sister M. Agnes Consilii, S.S.J., taught religion, music, dramatics, and science

Sister M. Cordata, S.S.J., taught business education, dramatics, and Spanish

Sister Irma Loreto, S.S.J., taught art and math

Sister M. Margaret Teresa, S.S.J., taught social studies, religion and typing.

Sister Marie Matthew, S.S.J., taught Latin, French, and Spanish

Sister Regina Pacis, S.S.J., taught English.

Sister M. Rita Geraldine, S.S.J., taught English, world culture and art.

Sister Rita Xavier, S.S.J., taught science

Sister M. Rose Charlotte, S.S.J., taught business education

Sister M. St. Edmund, S.S.J., taught English.

Sister M. William Theresa, S.S.J., taught math

Mr. Stephen G. Gasper taught social studies.

Mr. Thomas O. Mannion taught Latin, history and religion.

Ms. Carol Bogar '62 was the school secretary.

Mrs. Ada Hess was the school's nurse.

Mr. Tony Sciarra was the custodian.

I married another Becahi graduate, **Georgine Fidmik, class of '69**. Georgine graduated from East Stroudsburg University with a BA Degree and received her MA Degree from NYU.

All three of our children graduated from Becahi: **Andrew R. '95**, BS from Penn State, **Kyle M. '98** BA - Lehigh Univ. MBA - Temple Univ., **Marci L. '99** BSN - Penn State...Marcie married **Eric Capuano '96**.

My brothers **Michael '69** and **Msgr. Nevin '72** [are part of the Becahi legacy.]

My Mother, **Kathryn Repsher**, graduated from Becahi in '38 and had written the class salutatorian address that year.

So, I guess I can say we're a Becahi family."

Mike Kramer '63 wrote... "I read in Tidings that you are looking for information from my graduation class of 1963. The Valedictorian was Carol Curry, and the Salutatorian was Vincent Gentilcore or, vice versa. Hey, it's been 60 years!

One experience I had was in my freshman year when **Mike Mish, Bob Friend** and I took off from school and went to Moravian College to hear JFK give a campaign speech. We had notes from our parents explaining why we were absent. Fr. Sangmeister didn't buy it. So, for punishment we had to sit on the balcony until he dismissed us from school while having to take every book from our desk home with us."

...but the best thing is my wife, **Donna Soltysiak '69** and I will be celebrating our 49th wedding anniversary this November."

LinkedIn is an online platform that people use to build social networks with other people who share similar personal or career interests, activities, backgrounds, or real-life connections. Many of our classmates have profiles on LinkedIn that are viewed by and shared with the public. In future newsletters, some of those profiles of Becahi grads will be posted so we can continue to share our stories and connections with each other. It's a great way to market our school and its alumni. (...and because they are Becahi Grads, I call it "BLinkedIn").

Last Year, Becahi Raised Over \$750,000 through the PA EITC State Income Tax Credit Program - We Need Your Help To Make It \$1,500,000 This Year.

The most tax-savvy way to donate to Becahi is through the EITC Program. The State of Pennsylvania sends the taxes you already pay to Harrisburg to Becahi. When all is said and done, you pay 10% of the donation, and PA gives the rest. It is a 10-1 match in Bethlehem Catholic's favor, and you get the credit. You do not need to own a business or have a large tax bill to participate.

**Why do I participate
in the EITC Tax
Credit Program?**

**"It is so simple
even a blind priest
can do it!"**

- Fr. Bernard Ezaki

Couples can make an annual \$2,000 donation to Becahi for just \$200 a year with only \$60,000 of joint income.

Fall is the best time to participate, but don't wait until October to secure access to these valuable but limited tax credits. Bethlehem Catholic wins if you claim these credits before parents from other Catholic and Private schools do. The real secret is that the

application form is only one page, and you are only committed to the program once you send in your check after you receive your acceptance letter from the state. That means you can walk away from the deal if you feel unprepared, but you must apply for the first right of refusal to these extraordinary tax credits. If you have any questions, email Tom Vresics at tvresics@becahi.org or call Tom on his cell phone at (302) 985-7648.

Reflection

**For Tony and for All of Our Friends, here and beyond...
We'll Catch Up Some Other Time**

Where has the time all gone to?
Haven't done half the things we want to.
Oh well, we'll catch up some other time.

This day was just a token.
Too many words are still unspoken.
Oh well, we'll catch up some other time.

Just when the fun is starting.
Comes the time for parting.
But let's be glad for what we've had
And what's to come.

There's so much more embracing
Still to be done but time is racing.
Oh well, we'll catch up some other time.

There's so much more embracing
Still to be done but time is racing.
Oh well, we'll catch up some other time.
