

NORTHERN RUN BUS REQUEST FORM
(Distribute to Parents of all Students Needing Transportation)

Dear Parent,

According to Pennsylvania Law, nonpublic school children are entitled to transportation to nonpublic schools as follows:

1. A district which provides transportation for resident public school students must also make identical provisions for the transportation of resident nonpublic school students.
2. Transportation for nonpublic school students must be provided to and from the nonpublic school in which the student is enrolled. This also applies to nonpublic schools located outside the district, so long as the distance is not more than ten (10) miles beyond the public school **district boundaries**. (Note: This distance may be in excess of 10 miles from the student's home.)
3. A district may transport children who live along hazardous routes even though the children live within walking distance of the school.

If you think you are eligible for transportation and desire it for the next term, please complete the Request for Transportation form below and return it to the Main office or to kminorics@becahi.org
